DEDICATION

We, the senior members of the Reflector Staff, wish to dedicate this 1970 Reflector to Mr. Donald Ficco. He has been a well deserving member of the staff for the past nine years. Mr. Ficco possesses a rather unique sense of humor which is regarded as strictly "Ficco." Along with his perfection and neatness, Mr. Ficco is a most forceful, competent, and effective instructor. He is a fine example of a teacher devoted to his work. This tribute is little payment for the services he has rendered to us, both individually and as a whole, during our years at Ferndale. For this reason we would like to bestow this small token of gratitude.

Dear Mr. J. P. Morgan
I am very sorry to hear
of your illness. I hope
you will soon be
able to return to
New York.

Time comes and passes on. A new day dawns; then a week, a month, and the years fade into past memories that you gather in old age and cherish because the memory is the only link to the past.

Clocks are the most representative physical symbol of time and the various types of timepieces tend to express different stages of life; grandfather clocks, children's clocks and wristwatches all have their own place in time, and suggest various activities during the school day and the school year.

FACULTY

Our faculty at Ferndale Area High School provides an important, necessary function to our school clock. They wind it and make it tick. Without them, our clock would be unable to run as smoothly as it does.

Along with the Administration, they work hand in hand towards the efficiency of the system.

STUDENT COUNCIL

The "governing body" of Ferndale Area High School was elected at the beginning of this year from the various home-rooms. This group met regularly with Mr. Baily, their advisor, to discuss problems and activities for this year. One main responsibility of the representatives was to keep their home-rooms informed on decisions and proposals of the council. In turn, the student body gives their ideas and reactions of proposals to their representatives to be brought before council. Their major activities this year were: The clothing drive for the SAVE the CHILDREN'S FOUNDATION and the Viet Nam Christmas packages.

NATIONAL HONOR SOCIETY

Character, responsibility, and scholarship are the key words in describing the members of this select group. Being a member of the National Honor Society is the highest honor our school can bestow on a student. Each year the senior N.H.S. members conduct an induction ceremony for any junior and senior members who have met the qualifications. To be eligible for membership the students must be nominated and voted for by a faculty committee.

FUTURE TEACHERS OF AMERICA

Advised by Miss Rager and Mr. Ficco, the Future Teachers of America, through movies and field trips, have tried to attain their goal of preparing themselves for a career in the field of education. Any students who are interested in the teaching profession can join. Learning new techniques in teaching and how to choose the right college, as they did during club periods, will help them very much in the future.

VARSITY CLUB

The boys who have had the stamina to endure long weeks of work and sweat to produce winning teams are selected to become Varsity Club members if they have lettered in one sport and participated in another.

During "pledge week," these boys are required to know all of the former team records and the present members who letter in them. The three days of "Yes, sir" and shoeshines leave many memories for these worthy boys.

To them, it was well worth it to wear the emblematic jacket of Ferndale's Varsity Club.

KEY CLUB

This club is for those boys with a desire to serve others. A division of the Kiwanis Club, the boys' activities ranged from patrolling the halls during lunch periods to selling programs at football games. Directed by Mr. Woodhead, these boys have given good reason for our school to be proud of them.

All through this year, this energetic and hardworking group of girls were on hand to lead the cheers, to urge our boys on to victory, and to keep up our school spirit. Participating in the 26th Annual Cheerleading Contest, our cheerleaders showed once again, that they are still on top by capturing Second place with the cheer "SALUTE TO FERNDALDE." Practicing, painting signs, and planning new cheers for pep rallies and all athletic events, these girls deserve our thanks.

GOLF 1970

The golf team held its own this year and gained much valuable experience. The only handicap that faced them this year was their inexperience. Being switched from a fall to a spring sport also contributed to some of the disappointments the team felt this year. With more time and practice, these boys should prove to be a fine athletic contribution to F.A.H.S.

Hi, Fellas.

If at first you don't succeed . . . try, try, try, try.

My secret love's no secret anymore.

No shot is a sure miss, Tom.

JR.-SR. PROM OF 1969

Hushed excitement, beautiful gowns, and happy faces, all were a part of the 1968-69 Junior-Senior Prom. Using the theme "From A Flower to a Garden," the Junior class put many hours into planning and decorating at the Holiday Inn.

When midnight came and the night was only a memory, each girl was a story-tale Cinderella and every boy a Prince Charming. Our school clock had run its course and created many new memories for the class of 70. *School Time* for them is now *old time*.

We, the members of the Reflector Staff, would like to thank the following for making the publication of the 1970 yearbook possible through their contributions.
